COMMENTS:

As owner/representative, I agree to provide medical care in compliance with the Emergency Medical Services Act rules and regulations, 24 hours a day, every day of the year.
Each vehicle will be staffed by at least two emergency medical technicians, pre-hospital R.N.s or physicians on all emergency calls. If this vehicle is operated at the intermediate or paramedic level, it will be staffed by at least one person with the appropriate license for the level of care at which the vehicle is being operated and one other emergency medical technician, pre-hospital R.N. or physician. I agree to provide emergency service within my service area on a per need basis without regard to a patient's ability to pay.

("State minimum requirements; EMS systems may require a higher level of staffing.
